

## 1 in. TWIN HAMMER IMPACT WRENCH

This 1 inch impact tool has a compact, pistol grip design to help you get into tight spaces. With 1,450 ft-lbs of maximum torque, the CL2559 has the power to remove stubborn nuts and bolts on trucks, trailers, and other large vehicles.

- Twin hammer impact mechanism is balanced and powerful
- Handle exhaust directs air away from operator and workspace
- Built-in power regulator
